

New Hazards Make Golf Test Difficult at Atlantic City

MEDAL TO RISLEY AT ATLANTIC CITY

Home Club Golfer Leads Field
of 131 Players in Qualifying Round.

NEW YORK MEN WELL UP

ATLANTIC CITY, N. J., Oct. 26.—Major Risley of the home club again demonstrated his ability as a medal player by leading a field of 131 golfers in the qualifying round of the open tournament at the Country Club of Atlantic City today. Risley had a 72, a stroke more than his winning score here last spring.

The staff was from the most trying course, and in addition to that scoring is more difficult than formerly because of the many additional traps which have been dug recently under the direction of Harry McSweeney, chairman of the green committee.

J. A. Wellington, the British amateur entering from Sunningdale, finished second with an 81, taking 7 for the twelfth hole.

Men from the New York district to make the first division included A. A. Agius, from Boston; H. C. H. Handford, Jr., of Lakewood, and H. A. Steiner of Inwood, all with scores of 84. Pierre A. Proal of Deal also got in with 85. The scores in the first two sixteens follow:

MRS. STOCKTON LEADS IN ONE DAY TOURNEY

Summerville Player Has Low Gross Card for Round at Westfield.

Mrs. L. C. Stockton of the Summerville Golf Club led a big field of fair golfers of the W. M. G. A. in a one day tournament held at Westfield, C. C. yesterday. Playing from scratch, she won the best gross laurels with a splendid 96. This, however, was the lowest gross ever low enough to gain her victory, and the net score was meager hunters. The prize in this department of the day's pleasure went to Mrs. J. H. Drake of the home club, whose round of 101 gave her a net score of 81, since she took off under the handicap of one stroke handicap.

On the eighteenth hole, the handicap issue was put on. In an approaching and putting contest in which three ties were allowed three women tied for the prize, and the playoff went to Mrs. A. MacDonald of Plainfield. Miss Hazel Garneau of Westfield and Mrs. E. V. Rogers of the same club were the unfortunate pair unable to keep up their good work.

In a driving competition Mrs. Peter H. Staff of Westfield was the leader, and in the hurdle competition Mrs. D. C. Arnold of the home club carried off the top honors. A large crowd of players participated in the sport, and it was watched by an unusually large gallery.

Either Knollwood or Englewood women will be eliminated from further consideration in the women's team championships today when the two clubs meet at Englewood. In the division between the division leaders, the Pine Brook women have easily defeated Knollwood and Englewood. As each team plays two matches against the other a second defeat to either of the present losers will put that team out of the running. Englewood women are now well along in the race, and a decidedly close contest is expected. The tournament will wind up with Pine Brook playing at Knollwood Monday and at Englewood Wednesday.

Lakewood Country Club will hold its annual fall tournament beginning Thursday, October 27, and continuing through Friday and Saturday. The tournament will follow the usual custom with the qualifying round the morning of the first day and match play between systems on the following days.

The St. Andrew's Golf Club, which has a reputation for devoting its energies to nothing but golf and is proud of it, is going to show its genius in another sphere tomorrow by celebrating Hallowe'en in fitting fashion. In order that golf shall not be entirely forgotten, however, the day-long tournament will be followed by a special session, a medal play handicap in the morning and a fancy dress ball contest in the afternoon. The real excitement, however, will begin at 6 o'clock in the evening when the members will assemble in the clubhouse for dinner.

DRIVERS DRAW POSITIONS.

Twenty-seven Daredevils Will Compete in Auto Classic.

The drivers and mechanicians who are entered for the Harkness Gold Trophy race at the Sheepshead Bay Speedway tomorrow mat yesterday afternoon at the office of Fred J. Wagner, official referee for the competition. Fred J. Wagner stated that there are twenty-two certain starters for the big auto classic.

At the meeting yesterday afternoon the drivers and mechanicians received such instructions and the officials advised that they were to compete in determining whether their physical condition was equal to the severe strain of driving 100 miles at top speed and drew lots for positions at the starting line. The covetous place at the pole in the front rank of the race fell to James L. Benedict, the youth Katsouni, N. Y., who drives a car of his own name.

Prices Range From \$1700 to \$2750.

BADOUUD SHADES RATTNER IN FAST BOUT AT EMPIRE A. C.

By GEORGE B. UNDERWOOD.

Augie Rattner, the former amateur in them in the first three rounds. Badouud came out of his corner like an unleashed bulldog and started ripping and slashing away at Rattner. Augie took it on the run and backed around the ring with Rattner in hot pursuit. Badouud landed heavy jolts to head and body but Rattner almost evened up things with stiff lefts and rights shot home as Badouud charged in.

Badouud's Savage Rushes.

Badouud's aggressiveness gained him the fourth round, but Rattner held him to an even break again in the fifth. The fury of the Swiss' assault battered through the defense in the sixth, but in the seventh Rattner got inside with enough lefts and rights shot home as Badouud charged in.

Tim Takes Count in Second Round at Clermont A. C.—Left to Jaw Ends Bout.

The bout between Tim Logan of Red Hook, weighing 201 pounds, and Bill Brennan of Chicago, scaling 195 pounds, ended abruptly in the second round last night at the Clermont A. C. when Brennan landed a left hook on Logan's jaw and sent him half through the ropes. The bearded man was unable to get back on the ropes because of the ring blow.

The blow was a short left hook to the point of the jaw and was delivered when the men were close together.

Harry Nelson gave Joe Bush a terrific beating in a four round bout, flooring him half a dozen times, but failed to stop him.
